

UNITED STATES BANKRUPTCY COURT
NORTHERN DISTRICT OF GEORGIA
ATLANTA DIVISION

IN RE:) STANDING ORDER NO. 1 - MHM
)
Requirement That Attorneys Prepare,) **AMENDED**
Serve and File Notices of Hearings)

Beginning April 1, 2004, in any case assigned to the undersigned, an attorney who files a motion requiring a hearing, with certain exceptions described in the instructions mentioned below, must prepare, file, and serve a notice of hearing.

Further instructions on this open calendar procedure, and the dates, times and places that particular types of motions will be heard, may be obtained on the Court's website at www.ganb.uscourts.gov (click on **Judges' Information** and then **Judge Margaret H. Murphy**) (Judge Murphy's webpage). Because the dates and times of hearings may change periodically without notice, it is essential that an attorney *check the current* list before serving a notice of hearing. The currently available hearing dates and times, and a copy of the instructions for the open calendar procedure, including a preferred form of notice, are available on Judge Murphy's webpage or by calling 404-215-1094, 404-215-1009 or 404-215-1006.

Any motion with respect to which a hearing is not properly scheduled within 25 days of its filing may be denied pursuant to BLR 7041-1 for want of prosecution.

IT IS SO ORDERED, this the 10th day of February, 2015 .

MARGARET H. MURPHY
UNITED STATES BANKRUPTCY JUDGE
