NORTHERN DISTRICT OF GEORGIA
ATLANTA DIVISION

IN RE:) CHAPTER 11
)
TERRESTRIAL ENTERPRISES, INC.,) CASE NO. 07-70311
)
Debtor.)

**ORDER DENYING DEBTOR'S APPLICATION FOR
BAR DATE FIXING TIME FOR FILING CLAIMS**

Debtor filed an application to establish a bar date in this Chapter 11 case. Debtor requested a bar date of September 14, 2007. This case commenced July 2, 2007. Debtor failed to file its schedules and other documents required by 11 U.S.C. §521 until July 26, 2007.¹ Debtor's §341(a) meeting of creditors is scheduled for August 23, 2007.

Bankruptcy Rule 3002 provides that the bar date for filing proofs of claim in a Chapter 7, Chapter 12 or Chapter 13 case is 90 days after the date first set for the §341(a) meeting of creditors. Bankruptcy Rule 3003, however, fails to provide such a formula for the bar date in a Chapter 11 case. Bankruptcy Rule 3002(c)(3) provides that the bankruptcy court will fix the bar date, and the custom and practice in this district is for Debtor to request a bar date appropriate to the case and the plan.

In the instant case, Debtor fails to set forth any reason for its choice of a bar date that falls so soon (less than 30 days) after the date of the §341(a) meeting of creditors. A

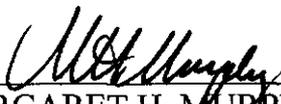

¹ An order granting Debtor's motion to extend time was entered July 13, 2007, extending the deadline for filing Schedules to August 10, 2007.

reasonable bar date for this case is November 30, 2007, and an order will be entered to that effect. Accordingly, it is hereby

ORDERED that Debtor's application for an order establishing a bar date of September 14, 2007, is *denied*.

The Clerk, U.S. Bankruptcy Court, is directed to serve a copy of this order upon Debtor, Debtor's attorney and the U.S. Trustee.

IT IS SO ORDERED, this the 7th day of August, 2007.
