

## **ATLANTA CALENDAR CALL PROCEDURES (5/4/2023)**

All regular mass calendar calls will be conducted via video conference in Judge Baisier's Virtual Hearing Room at the times noted on the [Available Hearing Dates \(Atlanta\)](#) link, which may be found on Judge Baisier's web page under the "Hearing Information" tab. Matters that need to be heard after the second calendar call will be heard in the manner indicated below. For those purposes, matters that (i) require argument that is expected to exceed twenty (20) minutes, (ii) require the presentation of evidence, or (iii) involve a party that cannot without undue hardship appear via video conference are referred to as "In Person Matters." These procedures do not pertain to matters that are specially set. When matters are specially set, they will be called and held as indicated in the Notice of Hearing or Order setting the matter.

### **Procedures for Matters to be Heard**

Matters that are not In Person Matters (defined above) that need to be heard will normally be heard via video conference in Judge Baisier's Virtual Hearing Room on the day of the calendar or such other date and time as the Court may determine.

All In Person Matters that need to be heard will be heard in person in Courtroom 1202 on a date and time determined by the Court.

Parties making a "ready" announcement for matters at the second call of the calendar must indicate whether they believe the matter is an In Person Matter. Final determination of whether a matter is an In Person Matter will be made by the Court.

Parties may attend any calendar call in person. Parties may appear in person for hearings held by video conference as long as they provide advance notice to the Court and the other parties. Such notice can be provided at the calendar call.
