

The State Bar of Georgia

Veterans and Military Law Pro Bono Committee

When a Veteran or an enlisted Armed Forces or Guard member needs legal help, you can serve those who serve their country -- *as a lawyer*

The State Bar of Georgia is working to develop a referral panel of lawyers across the state who will help veterans with disability claims or enlisted Armed Forces and Guard members with general civil legal needs on a *pro bono* or paid basis.

Enlist now to help us match military servicemembers and veterans with you!

Volunteer to handle at least two cases over the next several months on a *pro bono* basis. Add your name to our list of lawyers for referral purposes, too, for general civil legal needs such as family law, insurance, and personal injury.

You will receive any *pro bono* cases pre-screened for income eligibility and for case merit on a schedule you decide.
