PUBLIC NOTICE

United States Bankruptcy Court, Northern District of Georgia

New Event Concerning Corporate Ownership Statement: A new event entitled *Corporate Ownership Statement* has been added to the events list under the *Other* category. This event should be used to file the corporate ownership statement whenever that statement is not filed with the petition as required by Interim Bankruptcy Rule 1007-I(a).¹ The new event should also be used to file the supplemental corporate ownership statement required by Rule 1007-I(a) and in other circumstances when a post-petition filing of the corporate ownership statement is necessary.

CM/ECF Query Screen has been Revised: The *Creditor Mailing Matrix* hyperlink which is available from the **Query Screen** has been replaced with the *Mailing Labels by Case* hyperlink. This change benefits users because in addition to the information provided under the Creditor Mailing Matrix (i.e. addresses of creditor, debtor, debtor's attorney, trustee, US Trustee), the Mailing Labels by Case provides addresses for any attorney who filed a pleading in the case and the address of the judge assigned to the case. A screen shot of the revised Query Screen is presented below. The Creditor Mailing Matrix is still available under Utilities.
