IN RE: ENTRANCE SCREENING AND
WEARING OF MASKS IN NORTHERN
DISTRICT COURTHOUSES

GENERAL ORDER 21-04
Fourth Amendment

ORDER

Recognizing the continued but reduced threat posed by the ongoing presence of the COVID-19 virus throughout the Northern District of Georgia and desiring to protect the health of those entering District courthouses, **IT IS HEREBY ORDERED** that all persons entering courthouses of the United States District Court in Atlanta, Gainesville, Newnan, and Rome, including employees and contractors, will:

(1) Review the COVID-19 screening questions posted at the entrances to each courthouse and attached to this Fourth Amendment to General Order 21-04; and

(2) Not enter the courthouse in the event the person answers yes to any of the screening questions.

Until further notice, masks and social distancing are not required in public areas. However, **all jurors must wear a mask that completely covers their nose and mouth while assembling for jury duty, during jury orientation, and until otherwise directed by the presiding judge that masks may be removed.** In addition, **attendees at naturalization ceremonies must wear a mask that**

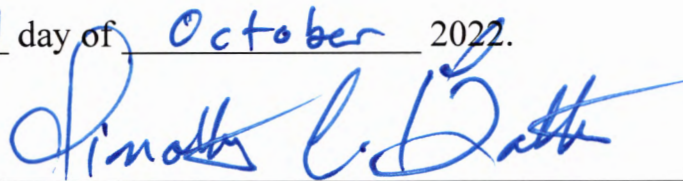

completely covers their nose and mouth. Masks will be provided to jurors and naturalization ceremony attendees who do not have one.

IT IS FURTHER ORDERED that the clerks of the District and Bankruptcy Courts, the chief probation officer, and other agencies within a courthouse may establish their own policies for the wearing of masks and social distancing within their space. In addition, each judge may establish the mask and social distancing policies for his or her chambers and courtroom and for events over which the judge presides.

IT IS FURTHER ORDERED that the United States marshal, his deputies, and the court security officers shall enforce this Order and deny entry to those individuals who do not review the screening questions or who otherwise do not comply with this Order. Public notices will be posted at the entrance to each courthouse within the Northern District consistent with the screening questions attached to this Order.

This Order supersedes all other previous orders to the extent they are inconsistent with this Order. This Order shall remain in effect until further notice.

SO ORDERED this 3rd day of October 2022.
