Withdraw as Attorney

Attorneys can terminate themselves in limited circumstances. This feature is court configurable, and some courts will choose to use this feature while others will not.

As an attorney, if you can certify that you have no controversy before the court and your client consents to withdrawal from the case, then you can withdraw from the case by docketing a new event, Withdraw as Attorney. This will result in you being terminated from the case and no longer receiving any notices of electronic filing for that case. (However, you may continue to receive notices of electronic filing on the same day your association as an attorney to the case is terminated.)

You will be removed from the mailing list and no longer receive any notices regarding this case. Attorneys can only terminate themselves and not the parties they represent. Parties will remain active.

The following is the declaration certifying that you have no controversy before the court and your client consents to your withdrawal from the case:

Attorneys for the debtor or joint debtor in a case will not be able to terminate themselves. In addition, attorneys for plaintiffs and defendants who are also debtors in the lead bankruptcy case will not be able to terminate themselves from an adversary proceeding.

Docket Report Enhancements

The Create Appendix option has been modified so you have more flexibility in customizing a docket report. Now you can select only the entries you want and whether you want the PDF document appended to this customized report. Or, if you just want an abbreviated docket report without attached PDF documents, you can select only the entries you need for the task at hand.

Page Counts on Docket Report

The number of pages for documents associated with a docket entry is a new option.

The screenshot shows the ECF Docket Sheet interface. At the top, there is a navigation bar with the ECF logo and tabs for Bankruptcy, Adversary, Query, and Reports. Below the navigation bar, the title "Docket Sheet" is displayed. The main area contains search filters and options. A "Case number" field is set to "10-10010" with a "Find This Case" button. There are radio buttons for "Filed" (selected) and "Entered", followed by date range pickers. Below that, there are "Documents" range pickers. The "Include:" section has three checkboxes: "Terminated parties", "Links to Notices of Electronic Filing", and "Page counts for documents" (checked and highlighted with a red box). The "Document options:" section has three checkboxes: "Include headers when displaying PDF documents", "View multiple documents", and "Create Appendix". Below these, there is a section "Include on the Docket Sheet:" with two radio buttons: "all docket entries in this case" (selected) and "selected docket entries only". At the bottom, there is a checked checkbox for "Include PDF documents".

Query

New query options have been added:

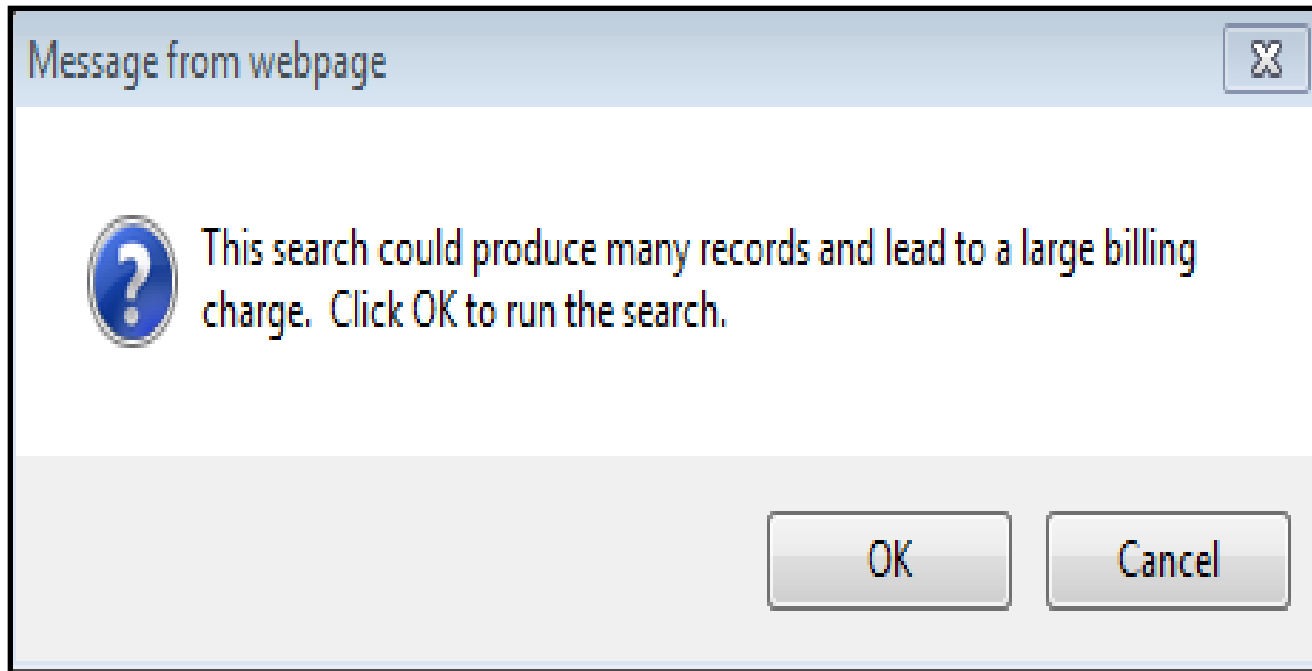

- Filed Date range
- Last Entry Date range
- Nature of Suit

The screenshot shows the ECF Query interface. At the top is a navigation bar with 'Bankruptcy', 'Adversary', 'Query', 'Reports', 'Utilities', 'Search', and 'Logout'. Below this is a warning box: 'Warning: you will be billed for the total number of pages (this report is not subject to the 30-page limit on PACER charges)'. The main search area is titled 'Search Clues' and contains several input fields: Case Number, Last / Business Name (with examples: Desoto, Des*t), First Name, Middle Name, SSN / ITIN, Tax ID / EIN, and Type (with checkboxes for Open cases and Closed cases). A red box highlights the 'Filed Date' and 'Last Entry Date' fields, which are date range selectors. Below these is a dropdown menu for 'Nature of Suit (AP and MP cases only)' with options: 01 (Determination of removed claim or cause), 02 (Other (e.g. other actions that would have been brought in state court if unrelated to bankruptcy)), 11 (Recovery of money/property - 542 turnover of property), and 12 (Recovery of money/property - 547 preference). At the bottom are 'Run Query' and 'Clear' buttons.

Query

The Filed Date and Last Entry Date range is limited to 31 days. If a date range entered exceeds the 31 day limit CM/ECF displays an error message.

If multiple Nature of Suits are selected for a query, CM/ECF displays a message that the search could produce many records and lead to a large billing charge.

Multiple Social Security and Identification Numbers

CM/ECF now allows up to five social security numbers and tax identifications numbers for each debtor and joint debtor.

After a social security number is entered a plus icon appears beside the SSN/TaxID/EIN field. If the debtor or joint debtor has another SSN/TaxID/EIN, click the “plus” icon for another field to be displayed for additional number(s). CM/ECF will now format the numbers if you don’t insert hyphens.

All SSN and TaxID/EIN numbers have been included in all reports and functions throughout the application.

On public notices and docket sheets only the last four digits of any social security or identification numbers are displayed.

Notice of Electronic Filing

In prior releases, when an attorney represented more than one party in a case, the attorney's email and party information were listed on the Notice of Electronic Filing (NEF) only for the first party. Now the attorney is listed for each party they represent.

Although an attorney may be listed multiple times on an NEF, the system will not send multiple emails.

Attorney and Party Association

When an attorney or trustee files a pleading, they are prompted to indicate whether they should be linked to the party they represent. In prior releases, the checkbox for the association with the attorney and party was unchecked and if the filer did not check the box, the association was not made. The checkbox for the association with the attorney and party is checked by default. The message has been updated to reflect the implications of omitting this necessary association.

The screenshot shows the ECF filing interface. At the top is a blue navigation bar with the ECF logo and menu items: Bankruptcy, Adversary, Query, Reports, Utilities, Search, and Logout. Below the navigation bar is a pink background area. On the left, it says "File a Motion:" followed by a link "12-10042 Billy Cameron". Below this, there are fields for "Type: bk", "Assets: y", "Chapter: 13 v", and "Case Flag: PlnDue". In the center, it says "Office: 1 (Pleasantville)". A red warning message reads: "IMPORTANT: The following attorney/party association(s) will be created in this case. De-selecting a party association will result in the filing attorney NOT receiving Notices of Electronic Filing for that party. If this is a joint filing, review the list carefully to ensure that only parties represented by the filing attorney are selected." Below the warning, there is a checked checkbox next to the text "First Car Loan, (pty:cr) represented by Mason, Perry P. (aty)". At the bottom left, there are "Next" and "Clear" buttons. A red arrow points to the checked checkbox.

If the box is unchecked, the attorney will not get added to the case for noticing or shown in queries and not appear on or receive the Notice of Electronic Filing

Cases Report

Split, transferred and reopened dates have been added to the selection screen.

External users can now search for cases without a confirmed plan. When searching by unconfirmed plan dates, the 31-day range limit does not apply for this search.

Type of debtor, nature of debt, nature of business as well as county have been added to the selection screen
