United States Bankruptcy Court, Northern District of Georgia

Bankruptcy Court Miscellaneous Fee Schedule is Revised Effective January 1, 2010

The Judicial Conference of the United States has approved an amended Bankruptcy Court Miscellaneous Fee Schedule (at Appendix to 28 U.S.C. § 1930) which will be **effective January 1, 2010**.

None of the fee amounts have been changed. The changes clarify the application of certain fees and address omissions from previous schedules. The following clarifications were made:

1. **Item No.4** - to clarify that the fee applies only to filing amendments to the debtor's schedules of creditors, and not to other schedules;
2. **Items No. 6 and No. 14** - to conform the language in these sections, both of which provide that these fees should be paid by the estate when a trustee or debtor-in-possession is the filer;
3. **Item No.11** - to reincorporate an exception to the reopening fee based on administrative error, which had been unintentionally omitted in previous schedules;
- 4, **Item No. 14** - to clarify that interlocutory appeals are included under this item;
5. **Item No. 15** - to correct a statutory reference which is linked to the filing fee for Chapter 15 cases; and
6. **Item No. 18** - to include the phrase "motion filed by the debtor," which had been unintentionally omitted.

The revised Miscellaneous Fee Schedule is attached.
