Press 18 to access the Georgia Northern Bankruptcy Court

MCVCIS provides the public automated case information. This voice case information system can be accessed from any touch tone telephone and is available 24 hours a day, 365 days a year, except for system maintenance. A computer and modem are NOT necessary to access the MCVCIS System.

New cases and adversary proceedings will typically appear in MCVCIS one to two days after filing.

MCVCIS is provided free of charge.
To access this information system and obtain information concerning Northern District of Georgia bankruptcy cases and adversary proceedings, please follow the instructions set forth below.

1. Using a touch-tone telephone dial 1-866-222-8029. A computer synthesized voice will answer the call and ask you to select a language. Press 1 for English or 2 for Spanish.
2. You will then be asked to select a bankruptcy court district. For information concerning Northern District of Georgia bankruptcy cases and adversary proceedings, enter 42 (for GA) and listen to instructions.
3. The system allows 5 searches per call. For instructions on using the system, press 1. You may search for cases by case number, by a debtor's name, or by a debtor's social security or tax ID number.
    A. To search by case number, press 2.
        1. Enter the four digit year in which the case was filed by pressing the keys on your telephone corresponding with the numbers in the year.
        2. Enter the last five digits of the case number.
    B. To search by a name, press 3.

    Press the keys on your telephone corresponding to the letters in the name. Use the 1 key to enter the letters Q and Z; do not attempt to type in spaces between names, or characters (such as apostrophes and hyphens) that are not letters.
        1. For individuals, enter the last name, first name, and middle initial, if possible, followed by the # sign.
        2. To enter the name of a company, type the company name, omitting suffixes such as Inc. and Corp., followed by the # sign.
    C. To search by a social security or tax ID number, press 4.

    Type the debtor's full social security or tax ID number, omitting any hyphens or spaces.
4. MCVCIS will search the data base for the case number, name, social security number, or tax ID number entered in the System.
    A. If the case number, name, social security number, or tax ID number entered is not found on the database, MCVCIS will respond "No matching cases were found."

Call the appropriate divisional office for assistance.
