

## **JUDGE BAISIER'S NEW REQUIRED NOTICE AND HEARING NOTICE LANGUAGE (7/29/2021)**

Beginning on or after August 1, 2021, the following paragraphs **in their entirety are required** to take the place of the COVID-19 language when matters for Judge Baisier cases are scheduled for mass calendar dates. This language is not required for matters that are specially set. When matters are specially set, they will be called and held as indicated in the Notice of Hearing or Order setting the matter.

You will need to **remove** the COVID-19 language and include only the paragraphs below in your pleadings. If you include the COVID-19 language or the paragraphs below have been omitted from your pleadings, the hearing will be removed from the Court's calendar until revised. The Court highly recommends copy and pasting the new required language to ensure accuracy. Judge Baisier's new Form of Notices for Atlanta and Newnan, located under the "Open Calendar Procedures" tab and the "Forms" tab, now include the required language and parties are encouraged to use the Form Notices for hearings.

### **NEW REQUIRED PARAGRAPHS**

This matter will appear on a Court calendar at the date and time indicated on this notice. At the call of the calendar (the "calendar call") Court staff will ask for announcements for all matters. Parties may attend the calendar call in person or on the telephone (Dial the toll-free number: 888-557-8511 and then enter the access code: 3347422). Matters that need to be heard by the Court may be heard by telephone, by video conference, or in person.

Before the day of your hearing, it is important that you review the "Open Calendar Procedures" tab on Judge Baisier's web page, which can be found at <https://www.ganb.uscourts.gov/content/honorable-paul-m-baisier> or under the "Information About Bankruptcy Court Hearings" link at the top of the web page for this Court, [www.ganb.uscourts.gov](http://www.ganb.uscourts.gov). These web pages will provide more information on how the calendar call will be conducted for this matter, when the matter will be heard if a hearing before the Court is necessary, and whether any necessary hearing will be conducted by telephone, by video conference via Judge Baisier's Virtual Hearing Room, or in person.
